Thanks, I duplicate whatever you get. I thought at the meeting I could talk to a few people and use that for my Community Interviews. Is this going to be a ODEQ Site?

Yes, Tulsa.

I asked Todd if he wanted me to see anything in particular. But he mentioned no, it seems he/they have everything under control. Apparently is more of a ODEQ Open House event.

I put to travel earlier to at least drive thru the area a little bit.

I submitted to travel Southwest 1/30/14 at 11:30 and returning 1/31/14 at 12:05, staying in La Quinta Airport in Tulsa, 23 North 67th Street and also requested for a rental car.

This is what I put in my travel authorization request. Let's see what they give me.

I would think Tulsa would be best. It should be a short drive. When do you want to go? Do you want to do anything else why we are there? Southwest would be my choice.

My boss told me to plan attending. I am in Addison at the EPA Training Center, but will have to plan and submit travel request papers for this.

Do you have any plans or suggestions? What is the best place to go? Fly to Tulsa?

Bart.
